TODOS SANTOS, BAJA CALIFORNIA SUR

TODOS SANTOS PUTT

Golf without the water. An artist-built 18-hole course and container bar in the pueblo mágico.

Investor deck • October 2026

Phase 0 raise: $150,000 USD

THE VISION

SWINGERS THEATRE. POPSTROKE GREENS. TODOS SANTOS SOUL.

18 HOLES, 9 ARTISTS

Every hole designed and built by a Todos Santos artist around one local story: the mission, the sugar mill, Cerritos surf, the whales, the desert bloom. Contoured putting turf with real breaks, so golfers come back.

A BAR YOU COME FOR

Two shipping containers, a patio under sails, 10 cocktails on local ingredients, snacks, gelato at the 18th. Order from the course by app. The round is the ticket; the bar is the business.

NIGHT MODE

Lit holes, glow lines, DJ Thursdays, league Tuesdays, monthly tournaments, buyouts for bachelor parties and retreats. Families and tourists by day under shade; the town's night out after dark.

LOOK BOOK

WHAT A NIGHT HERE LOOKS LIKE

Reference images from Swingers and PopStroke. Ours will be Todos Santos, built by Todos Santos.

The theatre • planted, lit, built like a set

The place • greens, bunkers, and a patio bar.

The holes • one story each, built by artists

The bar • cocktails on the course, local ingredients

The play • 35 minutes, six strokes max, keep your ball

The details • color, texture, nothing from a catalog

WHY IT WORKS

A PROVEN CATEGORY. NOBODY HAS BUILT ONE IN BAJA.

58%

of Puttshack sales are food and drink. The course sells the ticket; the bar makes the margin. $12–14M per venue.

8,000

players a week at Swingers NYC, at $22–26 a round. $52M raised in 2023 to open 15 venues.

$5.2M

per PopStroke location, 16 built in six years. The real putting surface is why golfers return.

0

mini golf bars in Baja California Sur. Cabo has championship golf; Todos Santos cannot have a course at all.

THE INDEPENDENTS WIN ON STORY

Stagecoach Greens and Urban Putt in San Francisco were built by locals about their city, with dozens of artists. Both ran on a bar plus 14–18 one-of-a-kind holes. That is our playbook.

THE MARKET IS ALREADY HERE

Expat retirees and snowbirds, local families, surfers, hotel and rental guests, bachelor groups and retreats. Nothing in town serves all of them on one night.

THE SITE

400 M² IN TOWN, 32 M OF STREET

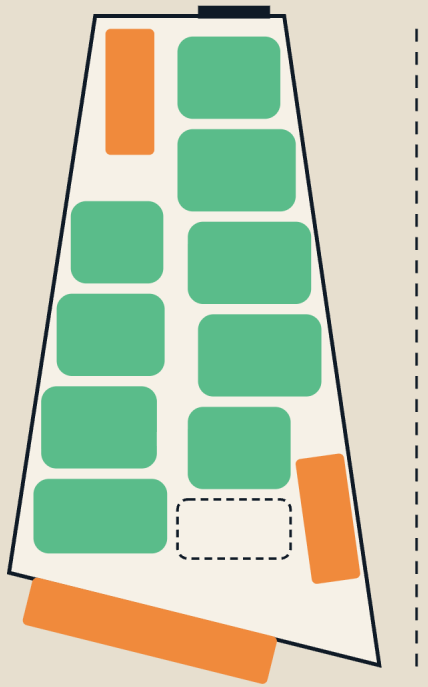

A wedge that widens from 9 m to 18 m with its long side on the street, so the lit course and the bar are the storefront.

- 9 holes at grade in two columns, 1.2 m walkways
- 40 ft container bar at the wide end; hole 9 finishes at the patio
- Phase 1: holes 10–18 on a deck above, the 18th on the bar roof

9.2 m
entry end

18.4 m
bar end

31.9 m
on Calle S/N

HOW WE GET THERE

PROVE IT IN ONE SEASON. BUILD IT IN THE NEXT.

PHASE 0 • DEC 2026 – MAY 2027

THE ARTIST POP-UP

9 holes on modular platforms, 2 containers, shade over the patio, lights, sound, booking app. Built in 8 weeks with local artists and builders.

$150,000 · open Dec 30

→

PHASE 1 • JUN – OCT 2027

THE PERMANENT BUILD

If Season 1 clears its gate: concrete bases, desert-rated turf, shade over the whole course, the deck for holes 10–18, rooftop 18th, simulator bay.

$250–350k · slow season

→

SEASON 2 • NOV 2027 ON

18 HOLES AND THE BAR

The full venue: two levels, sunset 18th, leagues, tournaments, buyouts, hotel and rental-guest packages.

$0.9–1.1M revenue / yr

The gate for Phase 1 45+ rounds a day and $14+ bar spend per player across Dec–Mar. Everything in Phase 0 that costs real money, the containers, the art, the lights, the bar kit, carries into the permanent build.

THE NUMBERS, THREE WAYS

IT BREAKS EVEN AT 17 ROUNDS A DAY

Scenario (USD)	Rounds / day	Profit / month	Profit / season
Season 1 • 9 holes • Dec–May			
Low	30	10,800	56,000
Base	45	23,300	121,000
High	60	35,700	186,000
Season 2 • 18 holes • full year			
Low	60	37,500	225,000
Base	90	69,300	480,000
High	120	101,000	755,000

BREAK-EVEN

17 rounds a day

covers every fixed cost of the pop-up. The low case still returns a third of the raise in six months.

WHERE THE MONEY IS

$14 + $16

a round plus bar spend per player, about $28 of margin each. The course costs almost nothing to run.

Profit / month is a high-season month. Assumes $14 a round ($20 for 18 holes), bar $16–18 per player at 32% cost plus 25% non-playing guests, fixed costs $17k/month for the pop-up and $36k for the full venue, summer at 40% of high season, no debt. Planning estimates, not quotes.

OPERATING COSTS

ABOUT $14K A MONTH TO KEEP THE LIGHTS ON

Monthly fixed costs, pop-up (USD)	Basis	Per month
Manager	1 full-time	1,500
Bar and front desk	2 full-time at $1,200	2,400
Course and cleaning	1 full-time	1,000
Weekend runner / second bartender	Part-time, Thu–Sun	600
Payroll burden (IMSS, aguinaldo, vacation)	~30% of wages	1,650
Land lease	$1,000–1,500 with option to buy	1,250
Electricity, water, internet, trash	Lights and refrigeration	1,500
Maintenance and turf reserve	$900 reserve + repairs	1,200
Marketing, booking software, POS		1,300
Insurance, permits, accounting		600
Card fees, supplies, misc.	~2.5% of sales	1,000
Total fixed costs		14,000

CUSHION

$17k in the model

Every projection uses $17k a month, 20% above this list, so the numbers hold if wages or power run high.

VARIABLE COSTS

32% of bar sales

Liquor, beer, food and ice. A round of golf costs nothing to serve once the lights are on.

THE LAND

Leased at $1,000–1,500 a month with an option to purchase already negotiated. The GP contributes site control, the option and the seller-financing terms to the partnership.

INVESTOR RETURNS

CAPITAL BACK FIRST, THEN A SPLIT THAT STEPS UP

STRUCTURE

Investors fund 100% of the $150k. Barrett Masso is general partner and contributes the site: the lease, the negotiated purchase option and seller-financing terms, plus the build and the operation, with no salary until the raise is repaid. The GP share is earned in tiers, not granted up front.

DISTRIBUTIONS

Quarterly, all free cash. Investors receive **100%** until capital is returned (1.0x), then **60 / 40** until they have received 2.0x, then **50 / 50**. Phase 1 ($300k) is offered first to Phase 0 investors on the same terms.

Base case, cash to investors (USD)	Season 1	Season 2	Season 3
Capital invested (cumulative)	150,000	450,000	450,000
Business profit	121,000	480,000	500,000
Distributed to investors	121,000	420,000	300,000
Distributed to GP	0	60,000	200,000
Investor cash back, cumulative	0.8x	1.2x	1.9x

LOW CASE (30 → 60 ROUNDS)

1.1x by Season 3

Capital returned in Season 3; no GP distributions until then.

HIGH CASE (60 → 120 ROUNDS)

2.4x by Season 3

Capital returned inside Season 2; 50 / 50 tier reached in Season 3.

Season 1 = Dec 2026–May 2027 (pop-up); Seasons 2–3 = full years with 18 holes. Assumes Phase 0 investors fund Phase 1. Projections, not a guarantee • 9

GROWTH PLAN

TODOS SANTOS IS THE PROTOTYPE. MEXICO IS THE MARKET.

2027

TODOS SANTOS

9 holes to 18. Prove the holes, the bar, the pricing, the artist model and the playbook on 400 m².

$0.9–1.1M / yr

2028

CABO SAN LUCAS

3M+ visitors a year, bachelor and golf groups, no off-season. 18 holes and a bigger bar on 1,000–1,500 m², built to permanent spec. Capex $450–650k.

$1.6–2.2M / yr

2029

LA PAZ

300,000 residents, the state capital, year-round locals and no venue like it. Leagues, kids, corporate. Capex $350–500k.

$1.0–1.4M / yr

2030 ON

MEXICO

Cancún, Tulum, Puerto Vallarta, San Miguel, CDMX: 40M+ international visitors a year and a growing middle class, and not one mini golf bar between them. The same playbook, a local artist roster in each city.

$1–2M / yr per venue

$3.5–4.7M in annual revenue across the three Baja venues by 2030, at 25–30% margins, before any mainland site. Each location is its own raise and entity; Phase 0 investors get first look at every one.

Revenue figures are base-case planning estimates scaled from the Todos Santos model by market size and seasonality • 10

THE ASK

$150,000 TO OPEN DECEMBER 30

Funds the full Phase 0 build and opening. Investors receive 100% of distributions until repaid, 60 / 40 until 2.0x, then 50 / 50, and get first right to fund Phase 1 on the same terms.

Next 30 days

Containers and turf ordered • 9 artists contracted • permits filed • sponsor night • founders' passes on sale

USE OF FUNDS

Item	USD
9 artist-built holes, platforms, turf	40,000
Containers, bar and kitchen fit-out	28,000
Site, fence, electrical, lighting	24,000
Shade, bar equipment, sound, booking	20,000
Permits, insurance, launch, working capital	23,000
Contingency	15,000
Total	150,000
