BUSINESS CONCEPT · DOWNTOWN TODOS SANTOS

TODOS SANTOS PUTT

Golf without the water. A mini golf course built by local artists, with a container bar. An idea for the town; here’s how we see it.

THE VISION

SWINGERS THEATRE. POPSTROKE GREENS. TODOS SANTOS SOUL.

18 HOLES, 9 ARTISTS

Every hole designed and built by a Todos Santos artist around one local story: the mission, the sugar mill, Cerritos surf, the whales, the desert bloom. Contoured putting turf with real breaks, so golfers come back.

A BAR YOU COME FOR

Two shipping containers, a patio under sails, 10 cocktails on local ingredients, snacks, gelato at the 18th. Order from the course by app. The round is the ticket; the bar is the business.

NIGHT MODE

Lit holes, glow lines, DJ Thursdays, league Tuesdays, monthly tournaments, buyouts for bachelor parties and retreats. Families and tourists by day under shade; the town's night out after dark.

LOOK BOOK

WHAT A NIGHT HERE LOOKS LIKE

Reference images from Swingers and PopStroke. Ours will be Todos Santos, built by Todos Santos.

The theatre · planted, lit, built like a set

The place · greens, bunkers, and a patio bar.

The holes · one story each, built by artists

The bar · cocktails on the course, local ingredients

The play · 35 minutes, six strokes max, keep your ball

The details · color, texture, nothing from a catalog

WHY IT WORKS

A PROVEN CATEGORY. NOBODY HAS BUILT ONE IN BAJA.

58%

of Puttshack sales are food and drink. The course sells the ticket; the bar makes the margin. $12–14M per venue.

8,000

players a week at Swingers NYC, at $22–26 a round. Opened as one London venue in 2014; now across the US and UK.

$5.2M

per PopStroke location, 16 built in six years. The real putting surface is why golfers return.

0

mini golf bars in Baja California Sur. Cabo has championship golf; Todos Santos cannot have a course at all.

THE INDEPENDENTS WIN ON STORY

Stagecoach Greens and Urban Putt in San Francisco were built by locals about their city, with dozens of artists. Both ran on a bar plus 14–18 one-of-a-kind holes. That is our playbook.

THE MARKET IS ALREADY HERE

Expat retirees and snowbirds, local families, surfers, hotel and rental guests, bachelor groups and retreats. Nothing in town serves all of them on one night.

THE SITE

400 M² IN TOWN, 32 M OF STREET

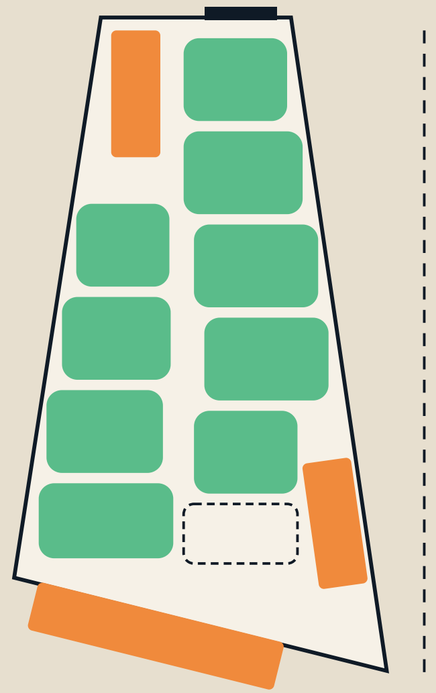

A wedge that widens from 9 m to 18 m with its long side on the street, so the lit course and the bar are the storefront.

- 9 holes at grade in two columns, 1.2 m walkways
- 40 ft container bar at the wide end; hole 9 finishes at the patio
- Phase 1: holes 10–18 on a deck above, the 18th on the bar roof

HOW IT WOULD GO

TRY IT ONE SEASON, BUILD IT THE NEXT

PHASE 0 · DEC–MAY

THE ARTIST POP-UP

9 holes on platforms, 2 containers, shade, lights, sound, booking app. 8 weeks with local artists and builders.

PRELIMINARY BUDGET

~$150,000 USD

PHASE 1 · JUN–OCT 2027

THE PERMANENT VERSION

If demand justifies it: concrete bases, desert-rated turf, full shade, a deck with holes 10–18, the 18th on the roof, a virtual golf bay.

PRELIMINARY BUDGET

$250-350k USD

FROM NOV 2027

18 HOLES AND THE BAR

The full venue: two levels, sunset 18th, leagues, tournaments, buyouts, hotel packages.

SEASON 2

2027-28

What would tell us yes A full course December to March, about 45 rounds a day. Everything from Phase 0 (containers, art, lights, bar) stays for the permanent version.

PRELIMINARY BUDGET

WHAT IT WOULD COST, ROUGHLY

Phase 0 · season pop-up (USD, preliminary)	Approx.
9 artist-built holes, platforms, turf	40,000
Containers, bar and kitchen fit-out	28,000
Site, fence, electrical, lighting	24,000
Shade, bar equipment, sound, booking	20,000
Permits, insurance, opening, working capital	23,000
Contingency	15,000
Preliminary budget, Phase 0	**~150,000**

Planning estimates at Baja prices; nothing is quoted yet. The containers, art, lights and bar carry over to Phase 1.

PHASE 1 · IF IT WORKS

$250-350k USD

Preliminary. Deck for holes 10–18, permanent turf, full shade, virtual golf bay.

RUNNING THE POP-UP

~$14k a month

Preliminary. Four full-time people, land lease, power, maintenance.

THE HOLES

Nine artists, one hole each, $20–30k MXN per hole plus materials. If you want to build one, it's the most fun part.

DOES IT HOLD UP?

AT 17 ROUNDS A DAY IT PAYS FOR ITSELF

Scenario (preliminary)	Rounds / day	Result
A slow day	17	Covers costs
A quiet season	30	Sustainable
A normal season	45	Justifies Phase 1
A good Saturday	60+	Full

Assumes ~$14 USD a round and average bar spend of $16–18 per person; fixed costs of ~$14–17k a month. Estimates, not quotes.

WHERE THE BUSINESS IS

The bar, not the holes

At Puttshack, Swingers and PopStroke, more than half of sales is food and drink. The round is the excuse.

WHAT REALLY MATTERS

People coming back

Leagues, tournaments, theme nights, birthdays. A small town runs on regulars, not one-time visitors.

WHO

BARRETT MASSO AND SARAI TORRES. WE PUT THE CONCEPT TOGETHER AND ARE READY TO LEAD IT.

We live in Todos Santos and run businesses here (Ojalá Gelato and Estudio 52 Pilates). This is an idea we think would be good for the town: a night out, a daytime spot for families, and nine holes built by artists from here. If others are excited, we're in.
